#### ORDER

Whereas under article 2 of Legislative Diploma no. 114 dated 11-12-1924 procedure for granting concession of fishing grounds for exploration by means of fishing stakes (Haris) is recommended to be by public auction.

And whereas this has created difficulties in giving effect to certain policies adopted in public interest, I, M. R. Sachdev, in exercise of powers conferred upon me by «The Goa, Daman and Diu (Administration) Removal of Difficulties Order 1962» and all other powers enabling me in this behalf make the following order, notwithstanding anything to contrary contained in any law for the time being in force within this territory:—

a) In localities where Fisheries Cooperative Societies are functioning, the concession may be leased to

the Fisheries Societies on payment of an amount representing average of the auction bids held in the previous nine years.

b) In regard to new fishing stakes within the area of the operation of a Fishery Cooperative Society the average rental of the adjacent fishing stakes would be taken in consideration in fixing the rental of the new fishing stakes.

c) The Fisheries Cooperative Societies should be one with a membership of at least 50% of the total fishermen in that area.

d) In the case of existing lease of fishing stakes they will be given to the Fisheries Cooperative Societies for exploration on expiry of lease period.

2. The Administration of the above order shall be done by the Director of Fisheries, Goa, Daman and Diu.

THE LIEUTENANT GOVERNOR

M. R. Sachdev

Panjim, 19th August, 1964.
